STEEL CARRIAGE DOOR

# MODEL 755

CLASSIC ELEGANCE

*Polar White, Kensington Ranch design insert*

*The Windsor Republic Model 755 carriage door combines enduring beauty with strong-as-steel construction. Borrowing from the classic design of yesterday's carriage house doors, the Saddle Creek Collection makes a timeless statement. Each carriage door features a deep embossed woodgrain texture in your choice of three colors. The Model 755 offers an affordable alternative to homeowners that want their home to make a lasting impression.*

**WINDSOR REPUBLIC DOORS**

*Polar White, no design insert, optional decorative hardware*

*The attention we pay to the details ensures you will be pleased with your decision. Every Windsor Republic door incorporates the most current safety features and is built to operate virtually maintenance-free for years to come. The Model 755 is constructed of 2" thick, 24 gauge steel sections, with an option for laid-in-place polystyrene insulation, and is available with optional decorative hardware and a variety of decorative window options.*

# FEATURES

## STURDY TOG-L-LOC™ FASTENING SYSTEM

Stronger than rivets, ensuring leak-proof, rustproof joints.

## SMOOTH OPERATING NYLON ROLLERS

Galvanized steel hinges and quiet nylon rollers are built for a life-time of use.

## STRONG BY DESIGN

Galvanized steel end and center stiles add superior strength to the entire door.

## BEAT THE HEAT. AND THE COLD.

The Model 755 features an optional full thickness of laid-in-place polystyrene insulation.
