

THE Carvables Co.

by LASSO Creative, Inc.

The Carvables Company specializes in custom created scenic elements for kids rooms, church youth rooms, special events, theatrical productions, interior or exterior signage, trade show booths, photography props, visual merchandising, weddings... you name it.

Supported by a team of scenic designers, artists, graphic designers and fabricators, Carvables can embellish a space with hand crafted 3-dimensional elements.

Visit www.carvables.com to view samples and learn more about our capabilities.
